MEMORANDUM FOR: The Legislative Counsel

SUBJECT: Statement for the Senate Committee on  
Government Operations

1. Attached is a statement which in my view can be released to Mr. Reynolds on an unclassified basis. It goes further than we have done in the past in bringing together a summary over-all picture. But if the Committee considers it useful, I do not believe we should cut it down or generalize further.

2. We have a number of items which we can use as enclosures, or which could be incorporated by reference and remain in the Committee file. I could perhaps go over them with Mr. Reynolds after they have reacted to the statement itself.
